## **Volunteer Profile: Jake Weaver**

### **Cross Country Canada 2016 Volunteer of the Year Award**

Jake has selflessly dedicated thousands and thousands of volunteer hours to coaching the sport of cross-country skiing. He has been the driving force behind the success of his club's athlete development program and has played an important role in the evolution of Cross Country BC's 'high performance' programming. He has also been an important influence in the LTAD-alignment of both his club and division athlete development programs. Most notably, however, Jake is a team builder who encourages collaboration among BC clubs and coaches to allow all athletes the best possible opportunity to achieve their potential.

#### **Below lists some of the ways in which Jake has contributed to the sport.**

##### **Coach**

- Hollyburn Cross Country Ski Club Bunnyrabbits (2000s)
- Hollyburn Cross Country Ski Club Jackrabbits (2000s)
- Hollyburn Cross Country Ski Club Track Attack program (2000s)
- Hollyburn Cross Country Ski Club Head Coach (2009 to present)
- Lead role in organizing and delivering CCBC Regional (Coast) Camp Program (2009 to present)
- BC Ski Team Assistant Coach (2009 to present)
- NCCP Level 3 coaching certification (2009); then took new NCCP system training through to NCCP Comp-Dev trained (2013)
- Continually taking advantage of opportunities to increase his coaching expertise, to be mentored and to mentor others
- Encouraging and mentoring club coaches and other key club volunteers (currently hosting/mentoring a young coach from France on a four month internship)

##### **Board of Directors/Committees**

- Hollyburn Cross Country Ski Club Board of Directors (2005 to present)
- Callaghan Valley Training Centre Board of Directors (2007-2015)
- CCBC Athlete Development Committee (2007 to present)
- CCC High Performance Committee (2010 to present)

#### **Testimonials**

##### ***Chris Manhard, CCBC Provincial Coach***

Jake is an outstanding coach and example to all of us for his commitment to and tireless efforts on behalf of cross country skiing.

##### ***Dirk Rohde, Hollyburn Cross Country Ski Club Chairperson***

Jake is one of the main reasons for the successful development of young racers in our region. Hollyburn Cross Country Ski Club has transformed from being a Jackrabbit club (formerly the Hollyburn Jackrabbits) that sent those skiers that were interested in racing to other clubs when they turned 12, to having one of the top junior teams not just in BC, but in Canada as well. Jake is the driving force behind this group of racers and coaches.

- ✓ He started out in the early 2000s just wanting to help out when a coach did not show up for a session, and has now developed into a well-qualified high-level coach, devoting many hours to the required training, seminars and experience.
- ✓ He was key in program planning for the club. This included taking the club from a limited number of weekend-only sessions to a race team that trains week-long and year-round.
- ✓ He also played a large part in planning all the club programs so that they are fully integrated and participants can transfer smoothly to the next level, be it competitive or recreational. He helped to identify issues and make changes so that as many children as possible would feel they were an important part of the club and team – not an easy task to say the least given the wide range of needs.
- ✓ Jake has been on the Hollyburn club executive for many years. He devotes many hours to non-coaching related activities for the club as well.
- ✓ In 2010, Jake took on the role of Head Coach. Despite having a full-time dental practice, Jake has contributed so much of his time in his coaching position, year-round and with many late nights, that it could easily be another full-time job on its own. And he has chosen to do this without remuneration of any kind!
- ✓ He takes a one-on-one approach with each racer, starting with speaking with those interested in joining the race team to see if and how they will fit in and then discussing long-term and short-term goals and training plans directly with each skier.
- ✓ He has made a point of developing a team that works together and supports each other. He has also developed a team that gives back to the club, helping out with the younger skiers.
- ✓ I'm not sure where Jake finds the time. It is not unusual to see e-mails from him well after midnight, and he volunteers with a track and field team as well and has taken on various roles at the provincial and national levels of cross country skiing.
- ✓ He has made a point of ensuring all skiers do well, both in the region and internationally. He introduced Emily Weekes, who is a top Paralympic skier, to the sport. He has welcomed skiers from other countries into his home and into our race team.
- ✓ He has mentored a cohesive team of coaches that work with him.
- ✓ It seems that every year for many years now has been more successful than the previous one, to the point in the 2015/16 season where one of the Hollyburn racers (Annika Richardson) was chosen as the only Canadian girl for the Youth Olympic Games, another (Anna Goodwin) qualified for the Canadian Junior B European Tour, several qualified for various divisional and national teams and the club placed third in the club Junior Aggregate rankings at Nationals. We would not be at this point without Jake's devotion.

**Jeff Sim, Hollyburn Cross Country Ski Club coach**

Jake has been a tireless volunteer with the Hollyburn Cross Country Ski Club for as long as I can remember – and that's at least 14 years. I've outlined a few of the many ways he has contributed below:

- ✓ Jake has always recognized the different ways his athletes learn and perform and approaches

coaching in a holistic way that looks to ways to improve his athletes as individuals, as athletes, as teammates. In doing so, he has significantly contributed to growing our community of Cross Country Skiers and our community as a whole.

- ✓ Jake coaches from a philosophy of working collaboratively with other coaches in BC and Canada to allow all athletes to achieve their best performances. He has successfully broken down barriers and improved collaboration so that what may have previously been well-guarded secrets (wax of the day), more often than not; BC coaches are sharing information and helping each other.
- ✓ Jake devotes an unbelievable amount of time – personal time, time away from his other career of Dentistry, and time away from family – to volunteer coaching and athlete advocacy. If he were a paid coach, he would be working much more than a full-time position.
- ✓ Jake has fun at what he does and has told me many times how satisfying it is for him to be helping his athletes become great adults who pass along his love for the sport and for good sportsmanship.
- ✓ As a volunteer, Jake has brought about positive change to sport – nationally, provincially, and locally.

***Morna Fraser, Hollyburn Cross Country Ski Club coach***

Jake has been an inspirational leader in the in the Hollyburn Cross Country Ski Club for many years.

- ✓ While Birgit, Jake’s wife, was the first in their family to start coaching for the club, Jake soon became involved in coaching as his children’s interest in cross country skiing grew. Now his son Fred is also coaching.
- ✓ Jake led the club race team for years and officially took over the role of head coach in 2009, consistently leading the race team to new heights.
- ✓ He has also been integral in restructuring club programming to better align with the LTAD model.
- ✓ Jake has been instrumental in attracting and supporting key volunteers to key roles throughout the club.
- ✓ Jake has effectively recruited a support team around him and developed an amazing model for traveling large distances to races and keeping the athletes well fed.

As one of the key race team coaches recently said at a team wrap up - “Thank you for thanking us Jake, but you’re the one we should be thanking, because whatever we do, we can always see that you’re five steps ahead.”

Jake’s lack of need for sleep, unflappable manner, consistency, passion, intellect, and ability to find and develop mentoring opportunities are some of the qualities which have made him the excellent coach he is today.

**Volunteer Profile: Jill Stamp**  
**Cross Country Canada 2016 Firth Award**

Jill Stamp has been a corner stone of the racing scene both in Kelowna and BC for nearly 20 years. She is active in officiating, timing, fundraising, and supporting her local race team through tireless volunteering.

*“The races do not run without Jillian Stamp”*-- Gerry Morrison, Past President, Telemark Nordic Club.

Jill’s warm manner, bubbly energy and attention to detail ensure that an event takes place without a hitch. One of the things that all of us who work with her appreciate, is that she doesn’t take herself, or the task too seriously. There is always time for a laugh. Her low-key style of leadership inspires others to help get the job done.

Jill and her family moved to Kelowna and joined the Telemark Nordic Club in the winter of 1998. She and her husband James immediately became key volunteers involved in organizing and supporting the fledgling Jackrabbit program and running the club website. Next they began building a race team and a race program, Telemark’s “Racing Rabbits”.

Jill’s generous donation of thousands of hours and her race organizing expertise to the Telemark Nordic Club and Cross Country BC has had an important role to play in growing successful local and provincial junior racing programs. For example, in 2001, with only three weeks notice, Jill was asked to be the race secretary for BC’s first-ever Midget Championships, which was also Telemark’s first major event. The race was a big success and has spurred a tradition that the BC Midget Championships is one of the best events in the province each year. Jill was later involved in organizing that event a second time in Kelowna, and has aided in the timing and the organization of the race many other years.

In addition, Jill has been Competition Secretary and Chief of Timing multiple times for Okanagan Cup, BC Cup, Western Canadian Championships and NorAm Series races for both the Telemark Nordic Club and nearby Sovereign Lake and Nickel Plate clubs.

For every event that she organizes, Jill works for months prior to develop a plan and a schedule, recruit key volunteers, coordinate athletes and coaches, register athletes, coordinate sponsorship, submit funding grants and manage a sizeable event budget.

Jill has been a major contributor to the success of events at the local, regional, provincial and Western Canada levels. Her deep knowledge of the sport, timekeeping and organization, has made her a go-to resource for others planning and running similar events. When other races go off the rails, (as can occasionally happen), her ability to trouble shoot and fix timing problems is remarkable

### **Summary of Contributions**

**Competition Secretary** for the following events:

- **Kelowna Apple Loppet** (12 consecutive years from 2004-2016).
- Multiple **Okanagan Cups, BC Cups, BC Midget Championships and BC Championships** since 2002
- **BC Championships in 2014 and 2015**. These two BC Championship races were particularly strong events. They were well attended by American teams and clubs, and totaled more than 500 participants each year.
- **2003 World Junior Trials**. This was the first national-level event held at Telemark.
- **2011 International Children's Games**
- **2011 NorAm/Western Canadian Championships**. 600 participants

**Technical Delegate** many times (BC Midget Championships and BC Winter Games)

**2010 Olympic Winter Games**. Timekeeping official for all Cross Country events.

**CCBC Officials Development Committee member**. Within Cross Country BC Jill is known as a "go to person" for those seeking help on how to run events.

**ZONE4 Race Management Clinics**. Jill was responsible for developing the curriculum and course materials used by herself and others to deliver Cross Country BC's Zone 4 timekeeping clinics.

**Secretary to the parent committee** for the Telemark Junior Racers (2011-2014). Parent leader for many, many race team trips organizing accommodation, flights and food.

**2015 - 16**

Officials Level 1 Courses 2015-2016

Officials Level 2 Courses 2015-2016

## **CCC OFFICIALS CERTIFICATION**

This program consists of five steps from entry level through to international level. It includes technical delegate, event management and course conductor training as well as standard training for officials.

### **Level 1**

An eight hour course that provides an overview of what a cross country ski competition is all about. The focus is on the duties of minor officials for both 'Olympic' style (interval start, mass start, pursuit start, individual sprint, team sprint and relay) and 'Loppet' style (mass participation) competitions.

**Course fee for CCBC members: \$80.00**

**Course fee for non-members: \$160.00**

### **Level 2**

A 16 hour course that prepares officials for leadership roles on a competition committee at club, provincial and most national level races, including the BC Cup Series, BC Winter Games and loppets. The course covers all official race formats, rules and regulations, rule interpretation, electronic timing, all aspects of the results system and volunteer management.

**Course fee for CCBC members: \$100.00**

**Course fee for non-members: \$200.00**

### **Level 3**

This is a 3.5 day course. It is designed to prepare an official to (1) effectively structure, staff and manage a competition committee at provincial through national level competitions, (2) perform any 'major' official role at the National Championship level, (3) perform the role of a provincial Technical Delegate at a provincial and national level races and (4) have a good understanding of CCC/FIS

Please note the requirements for participation in Officials Certification Courses - levels 1 & 2. Course pre-requisites will be strictly enforced. For more information about course pre-requisites visit the CCBC website at: <http://www.crosscountrybc.ca/officials-development>

## INDEPENDENT AUDITORS' REPORT

To the Directors of Cross Country BC

We have audited the accompanying financial statements of Cross Country BC, which comprise the statement of financial position as at March 31, 2016, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Page 2

In our opinion, the financial statements present fairly, in all material respects, the financial position of Cross Country BC as at March 31, 2016, and its results of operations, its changes in net assets, and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

***Report on Other Legal and Regulatory Requirements***

As required by the Society Act (British Columbia), we report that, in our opinion, the accounting principles in Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

A handwritten signature in black ink that reads 'KPMG LLP'. The signature is written in a cursive, slightly slanted style. Below the signature is a horizontal line that starts under the 'K' and ends under the 'P'.

# CROSS COUNTRY BC

## Notes to Financial Statements

Year ended March 31, 2016

---

Cross Country BC (the "Association") is a not-for-profit organization incorporated under the Societies Act of British Columbia and accordingly is exempt from income tax under provisions of the Income Tax Act provided certain requirements of the Income Tax Act are met. It is not a registered charity that can issue tax receipts. Its purpose is to provide provincial programming for the continuous development of cross-country skiing programs, recreational through to competitive, to a broad cross section of the community.

### 1. Significant accounting policies:

The financial statements are prepared in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CPA Canada Handbook. The Association's significant accounting policies are as follows:

#### (a) Fund accounting:

The Association reports its activities on a fund accounting basis. A fund is determined for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. Each fund has its own statement of net assets which presents the results of operations for the fund. The statement of financial position of the Association includes the assets, liabilities and net assets of all funds presented in the financial statements.

#### (b) Revenue recognition:

The Association follows the deferral method of accounting for contributions which include donations and government grants.

Contributions that are unrestricted are recorded as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Government grants approved but not received at the end of an accounting period are accrued. Restricted contributions are recognized in revenue in the period in which the expenses relating to the project are incurred.

Revenue from memberships and events are recognized when the services are provided or the goods are sold.

#### (c) Cash and cash equivalents:

Cash and cash equivalents consist of cash and investments in money market or other short-term instruments or investments with a maturity of less than 90 days. Instruments which have a maturity greater than 90 days are presented as short term or long term investments accordingly.

Cash which is restricted for a specific purpose has been segregated from cash and/or cash equivalents.

# CROSS COUNTRY BC

Notes to Financial Statements (continued)

Year ended March 31, 2016

## 1. Significant accounting policies (continued):

### (d) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expenses. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Association's ability to provide services, its carrying amount is written down to its residual value with no reversals of such write downs in subsequent periods.

Capital assets are amortized using the following methods and annual rates:

Asset	Basis	Rate
Vehicles	Declining balance	25%
Furniture and equipment	Straight-line	5 years

### (e) Inventories:

Inventories are measured at the lower of cost and replacement cost. The Association uses the average cost formula for all inventories of the Association. Inventories are written down to their net realizable values when the cost of the inventories is not estimated to be recoverable. When circumstances which previously caused inventories to be written-down no longer exist the previous impairment is reversed.

### (f) Use of estimates:

The preparation of the financial statements in accordance with Not-for-Profit Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the statement of operations in the year in which they become known.

# CROSS COUNTRY BC

Notes to Financial Statements (continued)

Year ended March 31, 2016

---

## 1. Significant accounting policies (continued):

### (g) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

### (h) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year to the Association. Due to the difficult nature in determining a fair value for these services, they are not recognized in the financial statements.

## 2. Gaming activities:

Revenue earned from the Community Gaming grant is used to purchase goods and services required to provide the various programs offered by the Association during the year. As at March 31, 2016, the gaming funds that have yet to be expended are \$nil (2015 - \$nil).

Funds held in the Association's gaming account are restricted for these future programs, and have therefore been classified as restricted cash. The balance in this account at March 31, 2016 is \$263 (2015 - \$297).

---

## 7. Contingency:

From time to time the Association is brought forth as defendant in various lawsuits. The Association reviews its exposure to any potential litigation for which it would not be covered by insurance and assesses whether a successful claim against the Association would materially affect the financial statements of the Association. The Association is not aware of any claims brought against it that if not defended successfully would result in a material change to these financial statements.

## 8. Financial risks and concentration of risk:

### (a) Credit risk:

The maximum credit risk exposure for all of the Association's current financial assets is the carrying value of those assets.

### (b) Liquidity risk:

Liquidity risk is the risk that the Association will be unable to fulfil its obligations on a timely basis or at a reasonable cost. The Association manages its liquidity risk by monitoring its operating requirements. The Company prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no significant change to the risk exposures from 2015.

## 9. Economic dependence:

A significant portion of the Association's revenue is derived from direct and indirect funding from the Province of British Columbia and the Federal Government. In 2016, these revenues represented 37% (2015 - 39%) of total revenue.

## 10. Comparative information:

Certain comparative figures, including membership revenue and division expenses, have been reclassified from those previously presented to conform to the presentation of the 2016 financial statements.
