### FOR IMMEDIATE RELEASE

(Vanderhoof, BC)

Vanderhoof was the location of the first race of the Teck Northern Cup cross-country ski series. 92 racers from Quesnel, Prince George, Vanderhoof, Burns Lake and Smithers took part in the Nechako Nordics event at the NVSA grounds on Saturday January 19<sup>th</sup>.

Participants competed in events ranging from 750 meters (Atoms) to 10 kilometers (Open and Masters). It was a Free Technique Interval Start race, and a new experience for many young skiers.

A new snowfall the previous night made for excellent conditions on race day.

Our many volunteers and local sponsors made for a great and positive experience for all skiers.

Regional events like this are only possible with the support of sponsors like Teck Resources Limited, the more than 40 volunteers and our local businesses. A big thank you to Teck Resources Limited for supporting young athlete development.
