January 31, 2020

FOR IMMEDIATE RELEASE

(Burns Lake, B.C.)

On Sunday, January 26, 2020, the Omineca Ski Club welcomed 73 skiers for the Teck Northern Cup 3. Most of the skiers travelled from Smithers and Prince George to take part in the free technique, mass start race.

Despite unexpected flurries during the race, participants enjoyed “the best trails ever” and loud cheering from spectators and volunteers. With the mass start format, there were several close and exciting finishes: in the U14 Girls (2006) category, Finley Gagnon from Bulkley Valley finished 0.3 second ahead of her teammate Catherine DeGisi, and in the U12 Boys (2009) category, Owen McConkey from Caledonia Nordic finished less than 2 seconds ahead of Adrian Wickham from Bulkley Valley.

According to participants and volunteers, the event was fantastic. Results can be found on Zone 4 (<http://zone4.ca/results.asp?id=9443&cat=all>). The Omineca Ski Club is grateful to all volunteers, Cross-Country BC and Teck Resources Limited who made this event possible.
