Program Overview	Caledonia Nordic Ski Club provides programs for skiers of all abilities and ages. With respect to our university options, we have a head coach available at the club. We train our junior skiers and biathletes year round and are willing to discuss options for varsity skiers with Caledonia. At this time, we do not have a dedicated program for university athletes, but we are willing to discuss options for training. Our high school athletes thrive under the coaching skills and knowledge of Graeme Moore and often continue throughout their university education. We support athletes in our community and are willing to enhance and improve their training and performance in any way possible.
