Some of the province's top cross country skiers have taken to the hills around Vernon.

Cross Country BC is hosting its largest ever training camp at Sovereign Lake nordic centre.

A total of 79 athletes and 14 coaches are attending the event that began Wednesday and carries through until Sunday.

The B.C. ski team, B.C. development squad and B.C. talent squad are training. Athletes range in age from 13 to 21.

Some of those on the new powder are national champions and medalists at the Canada Winter Games and the Canadian National ski championships.
