The 2015 Teck BC Midget Cross-Country Ski Championships will be hosted at Mt Washington Ski Resort Feb 7 and 8, 2015. Strathcona Nordic Ski Club has invited ski clubs throughout BC to attend this 2-day event. Head Coach of the Strathcona Nordics Race Team, Andrea Stapff, views the yearly Provincial Midget Championships as a key event in the development of athletes in our sport of cross country skiing.

"This event is part of the Teck sponsored series of races that gives our younger athletes exposure to a variety of fun and age group specific distance, sprint and relay races and the chance to demonstrate the skills they have learned during their training. It is always a fun and fast paced event - exciting for competitors and spectators alike." Cross Country BC, the provincial governing body for cross-country skiing in British Columbia, is a non-for-profit, club-based organization of more than 16,000 members. Cross Country BC offers programs and services to support the continuous development of cross country skiing for all ages and abilities, from introductory experiences to international excellence. Teck Resources Ltd. is the title sponsor of Cross Country BC's Skier Development Program, thereby supporting excellence in sport and providing youth with experiences that will help them prepare for the future.

For more information on the event please call Chris Nagle at 250-338-7811 or at the email below.
