This request applies to all local, regional and provincial events taking place in British Columbia (e.g. Championships and the BC Winter Games). This request also applies to athletes traveling to BC from out-of-province or out-of-country.

The recommended glide waxing protocol is as follows:

- Non-Fluoro (NF) or Low Fluoro (LF) glide waxes ARE permitted
- Medium Fluoro (MF) or High Fluoro (HF) glide waxes are NOT permitted
- Pure Fluoro glide waxes (powders, pucks, blocks and liquid) are NOT permitted
- Cold weather powder additives and hardeners are NOT permitted

The adherence to this protocol is self-governed and is the responsibility of the coaches, parents and wax technicians.
