X-TOUR VENTURE JR // WAXLESS

Kick and glide through winter. The X-Tour Venture AR Jr. is an on-trail touring ski with a traditional XC feel. A durable wood and air-channel core keeps it light, while the waxless AR base offers a good blend of grip and glide with no prep required. Traditional length sizing offers increased glide. The included Tour Step-In bindings add to the ease of use with step-in convenience.

Available sizes: 100, 110, 120, 130, 140, 150, 160, 170
SRP: 154.99\$

X-1 JUNIOR

Set up your young skier to explore and enjoy winter. The X1 Junior cross-country ski boot gives young skiers the warmth and stability they need to have fun on skis. A traditional lace-up build makes for easy on and off, while the touring-specific sole works with the binding for added support.

Available sizes: 26 - 40
SRP:129.99\$

FT-501

Kick and glide with the lightweight, durable performance of the FT 501 junior touring pole. It has a 100% aluminum build and features a molded rubber grip and a loop strap for a secure, comfortable feel.

Available sizes: 80 - 130 by 5cm
SRP: 39.99\$
