January 31<sup>st</sup>, 2023

**FOR IMMEDIATE RELEASE**  
(100 Mile House, B.C.)

On Saturday, January 28<sup>th</sup>, 100 Mile Nordics hosted the Teck Northern Cup Race #3 at the 99 Mile Ski Trails. We were thankful for a great weather window that snuck in between rain and cold. Sunshine and below-zero temperatures and smiles everywhere were most welcome.

The 46 racers came from 100 Mile House and area, Williams Lake, and Quesnel. Racers were pleased with the well-groomed trails and challenging courses.

The classic race was an interval start with distances ranging from 300 m for the youngest skiers to 7.5 km for the oldest skiers.

This very successful event was made possible by a large dedicated group of volunteers. A huge thank you to all the volunteers that made this event a great success! A big thank you to Teck Resources Limited for sponsoring this race series.

Kurt Lundsbye lines up for the race.
