

CROSS COUNTRY BC

March 28th, 2022

Dear Athlete,

Congratulations on a successful ski season. As a result of your effort and achievement your club head coach has nominated you to the [BC Talent Squad \(BCTS\)](#) for the 2022-2023 ski year.

The BC Talent Squad program is a talent identification initiative that has been established with the dual purpose of supporting promising athletes from club programs throughout BC, and providing a feeder system to both the BC Development Squad and the BC Ski Team programs.

2022-2023 Provincial Camp opportunities include:

- Summer Camp: **June 2-5, 2022** in Whistler
- Fall Camp: **August 31-September 3, 2022** in 100 Mile House
- Snow Camp: **November 17-20, 2022** in Vernon

These camps are offered to BCTS athletes on a user-pay basis. Please note; all athletes will be required to review and agree to an athlete code of conduct when registering for camps.

A complete notice and registration for these camps is typically emailed to you a month or more in advance. There may be more athletes for the Talent Squad Camps than there are positions available, so camp positions are always offered on a first come first served basis.

In order to accept your nomination: [CLICK HERE](#) (no later than, April 10th, 2022). If you are NOT accepting your nomination, please email me: adcoord@crosscountrybc.ca no later than, April 10th, 2022.

Congratulations, once again, and best of luck with your off-season training.

Warm Regards,

Cherielle Goold
Athlete Development Coordinator
