

## **CCBC Protocol Regarding the Use of Fluorinated Waxes**

Cross Country BC respectfully requests all coaches, athletes, wax technicians and parents to abide by a self-governed protocol while waxing skis for identified races taking place in British Columbia. This also applies to coaches, athletes, wax technicians and parents traveling to British Columbia from out-of-province or out-of-country.

This protocol does not extend to these FIS-sanctioned events held in this province - Western Canada Cup/Nordiq Cup and Nordiq Canada Selection Trials/Nordiq Cup. Waxing restrictions for these events are determined by Nordiq Canada (NC). For more information on the NC Fluoro Policy, [click here](#).

### **Waxing protocol:**

- Structure tools ARE permitted.
- Fluoro kick waxes ARE permitted (but not fluoro grip powders).
- Identified non-fluoro (NF) glide waxes ARE permitted (refer to Appendix A).

### **The above waxing protocol applies to the following races/age categories:**

- At local races (i.e., club races, loppets, etc.), the protocol applies to U14 and younger age categories.
- At Regional Cup races (Coast Cup, Okanagan Cup, Kootenay Cup, Northern Cup), the protocol applies to ALL age categories.
- At BC Track Attack Championships, BC Winter Games and BC Winter Games Trials, the protocol applies to ALL age categories.
- At BC Cup races (including the BC Championships) the protocol applies to ALL age categories.
