

## CCBC Rule Regarding the Use of Fluorinated Waxes

Cross Country BC continues to follow the national (Nordiq Canada) and global ski community (FIS) in the strategy to eliminate fluoro wax.

### Fluoro Wax Rule for Nordiq Canada Sanctioned Races 2023-24

Fluoro wax is restricted for all Nordiq Canada sanctioned events (Tier 1 and Tier 2). This includes:

- Canada Cups
- Nordiq Cups (COC) / Nordiq Canada Selection Trials
- Nordiq Canada Ski Nationals
- Teck BC Cup Series (*these events are both nationally and divisionally sanctioned*)

Fluoro wax is also restricted for all divisionally sanctioned events (Tier 3). This includes:

- BC Winter Games
- Teck BC Track Attack Championships
- Teck Regional Cups
- Other races listed on the CCBC Competition Schedule
- Loppets

Not Permitted:

- Fluoro kick wax
- High fluoro (HF), medium fluoro (MF), or low fluoro (LF) glide wax, including HF, MF, or LF powders, pucks, blocks and liquids
- Fluoro cold weather powder additives and hardeners
- Fluoro grip powders

Background:

- The international ski community including the International Ski Federation (FIS), national federations and wax companies, are working together to find alternative waxing solutions.

Removing Fluoro Wax:

To ensure skis and equipment are properly cleaned of fluorinated products or residue, please follow the [FIS recommendations](#).
