

CCC's National Ski-at-School Program powered by AltaGas

WHAT IS SKI-AT-SCHOOL?

Ski-at-School is a program sponsored by AltaGas and Cross Country Canada aimed at bringing cross-country skiing to schools across Canada.

We are connecting the communities of schools, teachers, students, local ski clubs, and volunteers to create this opportunity for students.

WHY CROSS-COUNTRY SKIING?

- Because it is FUN!
- Because it is outside!
- Because it is healthy!
- Because everyone can truly participate!

DID YOU HAVE FUN AT SKI-AT-SCHOOL?

Tell your family and friends about it!

Go out on the weekends and ski!

Send us photos or videos of your adventures too!

If you don't have a local cross-country
ski club, consider starting one!

CHEER ON OUR NATIONAL CROSS-COUNTRY SKI TEAM!
